The main document should include:

Title (no more than 150 characters)

Author names and affiliations, and ORCID iDs where available

Abstract (no more than 200 words). (This will be used in reviewer invitation emails so please think about how to describe your work to make it easy for a potential reviewer to determine whether they would be suitable.)

All main manuscript text. Ensure that all figures, tables and any relevant supplementary materials are mentioned within the text

References

Acknowledgements and funding statement (ensure that you have included grant numbers and the names of any funding providers)

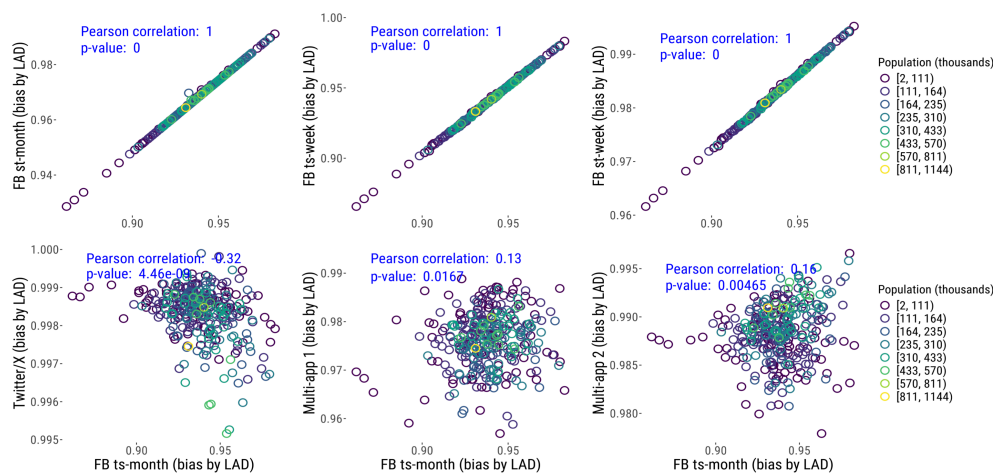

Tables with captions Figure captions with credits where relevant

		Queen neighbours	k-nearest neighbours	Distance band (optimal)	Distance band (user)
